Welcome

Dear Team Delegation,

It is our great pleasure to share with you the Team Delegations' Handbook for the 1st World Qualifying Tournament Boxing Road to Paris, which will take place in Busto Arsizio, Italy. We are very grateful to the city of Busto Arsizio and the Local Organising Committee (LOC) for doing a tremendous job in guaranteeing that athletes and teams will be able to compete and experience the event in the best environment possible.

We look forward to seeing you in Italy, where 49 athletes (21 women and 28 men) will qualify for the Olympic Games Paris 2024, and we expect to see the highest levels of boxing and fair play. The excitement around the event is already high, and we are looking forward to a friendly yet very competitive atmosphere that symbolises what boxing is all about.

The Paris 2024 Boxing Unit is working hard to ensure a fair qualification pathway to the Olympic Games Paris 2024, with the boxers at the centre of all our efforts. We wish you the best of luck with your preparations for Busto Arsizio. See you soon!

Paris 2024 Boxing Unit

Dear Team Delegation,

The hosting of the 1st World Qualifying Tournament Boxing Road to Paris in Busto Arsizio is a tribute to the Italian Boxing Federation (FPI) and to its international renown. This great event will present the winning image of an historic movement with a bright future.

Italy was invited to organise this competition thanks to perfect teamwork between the Italian National Olympic Committee (CONI) and the FPI, which together have been able to satisfy all formal requests made by the Paris 2024 Boxing Unit. I want to pay my personal compliments to Flavio D'Ambrosi, President of the FPI, for his ability and enthusiasm in leading the way to meeting this goal – and in the process providing boxing with a worldwide showcase for its incredible values.

This event will put up for grabs 49 Olympic quota places in 13 weight categories, and is a crucial moment for all participants to make their Olympic dreams come true. Our country is honoured to host this prestigious tournament, which will highlight our organisational skills and know-how.

On behalf of myself and the CONI, I once again express my huge esteem for and thanks to the FPI – and I also want to address a special word of encouragement to all men and women competing at the event. I'm sure that all of them will give us an amazing 10 days of the Noble Art, writing an unforgettable page of sporting history.

Giovanni Malagò President, Italian Olympic Committee

Dear Friends,

The Italian Boxing Federation (FPI) is honoured to be chosen as the organising body of this fantastic tournament, which will open the Paris 2024 doors to 28 men and 21 women.

I sincerely thank the IOC and the CONI for their support and collaboration, along with all the other bodies – the Sport Department of the Italian Prime Minister's Office, the Lombardy Region and the City of Busto Arsizio – that are cooperating with us to host this very important event. Boxers from all over the world are travelling to Busto Arsizio in order to make their "Five Rings" dreams come true inside one of the best Italian sports venues the E-Work Arena. We look forward to meeting all of you in this pleasant Lombardy town, and to spending 10 days together in sporting competition.

Flavio D'Ambrosi President, Italian Boxing Federation

1. Organiser

The Italian National Olympic Committee (CONI) is responsible for the overall organisation and management of the Event. CONI has appointed the Italian Boxing Federation (FPI) as the Local Organising Committee (LOC) to carry out CONI's day-to-day functions and duties.

3. Competition Format

In line with the mandate of primarily delivering the Olympic Boxing Qualifying Tournaments and the boxing competition at the Olympic Games Paris 2024, and considering the importance of focusing on the athletes and the short time before the Olympic Boxing Qualifying Tournaments, the Paris 2024 Boxing Unit has considered it appropriate to refer to the Tokyo 2020 Event Regulations, enforced at the Olympic Games Tokyo 2020 and its Qualifying Tournaments, with specific amendments only as and where necessary and/or adequate in this context.

In the interest of sporting fairness, the Paris 2024 Boxing Unit has endeavoured to restrict the amendments to those that increase transparency, fairness and credibility while limiting their impact on the actual sport practice for the Boxers.

The [Paris 2024 Boxing Unit Event Regulations](#) and the [Paris 2024 Boxing Unit Medical Rules](#) have the sole purpose of applying to all Paris 2024 Boxing Unit competitions, namely the boxing competition at the Olympic Games Paris 2024 and its Qualifying Tournaments.

- Seedings will not be in place for the Official Draw.
- The Official Draw will be conducted by Swiss Timing through an electronic random draw.
- Two rings will be used for the entire competition.
- Boxers will box to quota, meaning that boxers will stop competing as soon as they have earned a quota for the Olympic Games Paris 2024.

All entries for the 1st World Qualifying Tournament Boxing Road to Paris – Busto Arsizio must be completed electronically via the Event-Works Registration System (EW) from Monday 11 December 2023 to Friday 19 January 2024 (22:00 UTC+1). In addition, a signed copy of the final list of Team Delegation Members that includes Athletes (including reserves), Team Officials and Extra Team Officials must be emailed to support.boxing@wiz-team.com immediately after that.
