Welcome

Dear Team Delegation,

It is our great pleasure to share with you the Team Delegations' Handbook for the 2nd World Qualifying Tournament Boxing Road to Paris, which will take place in Bangkok, Thailand.

We are very grateful to the National Olympic Committee (NOC) of Thailand and the city of Bangkok for doing a tremendous job in guaranteeing that athletes and teams will be able to compete and experience the event in the best environment possible.

We look forward to seeing you in Thailand, where the last 51 athletes will qualify for the boxing competition at the Olympic Games Paris 2024. We are looking forward to a friendly yet very competitive atmosphere that symbolises what boxing is all about.

The Paris 2024 Boxing Unit is working hard to ensure a fair qualification pathway to the Olympic Games Paris 2024, with the Boxers at the centre of all our efforts.

We wish you the best of luck with your preparations for Bangkok. See you soon!

Paris 2024 Boxing Unit

Dear friends and members of the Boxing Family,

As the International Olympic Committee (IOC) places its trust in the Thai NOC to organise the 2nd World Qualifying Tournament for the boxing competitions at the Olympic Games Paris 2024, it is my great pleasure to extend an invitation to all the boxing family, men and women boxers. The tournament will be held in the Bangkok metropolis, the Kingdom of Thailand, from 25 May to 2 June 2024. By the end of the tournament, the remaining 51 boxing quota places will be awarded for the Olympic Games Paris 2024.

We are very much looking forward to welcoming you to the land of smiles and enjoy our Thai hospitality.

3. Competition Format

In line with the mandate of primarily delivering the Olympic Boxing Qualifying Tournaments and the boxing competition at the Olympic Games Paris 2024, and considering the importance of focusing on the athletes and the short time before the Olympic Boxing Qualifying Tournaments, the Paris 2024 Boxing Unit has considered it appropriate to refer to the Tokyo 2020 Event Regulations, enforced at the Olympic Games Tokyo 2020 and its Qualifying Tournaments, with specific amendments only as and where necessary and/or adequate in this context.

In the interest of sporting fairness, the Paris 2024 Boxing Unit has endeavoured to restrict the amendments to those that increase transparency, fairness and credibility while limiting their impact on the actual sport practice for the Boxers.

The [Paris 2024 Boxing Unit Event Regulations](#) and the [Paris 2024 Boxing Unit Medical Rules](#) have the sole purpose of applying to all Paris 2024 Boxing Unit competitions, namely the boxing competition at the Olympic Games Paris 2024 and its Qualifying Tournaments.

- Seedings will not be in place for the Official Draw.
- The Official Draw will be conducted by Swiss Timing through an electronic random draw.
- Two rings will be used for the competition.
- Boxers will box to quota, meaning that boxers will stop competing as soon as they have earned a quota for the Olympic Games Paris 2024.

5. Registration

All entries for the 2nd World Boxing Qualifying Tournament Road to Paris – Bangkok must be completed electronically via the Event-Works Registration System (EW) from 14 March to 11 April 2024 (22:00 UTC+1).

Each team's registration report, with the team's final list of Team Delegation Members including Athletes (including reserves), Team Officials and Extra Team Officials, must be printed, stamped and signed by both the National Olympic Committee (NOC) and National Federation (NF) representatives who signed the User Authorisation Form, and must be emailed to support.boxing@wiz-team.com by 11 April 2024 (22:00 UTC+1).

Before starting the process, NOCs and NFs must read and accept the terms and conditions of the Organisation Consent and User Account Form, and must complete, sign and return the completed form by email to support.boxing@wiz-team.com. Only upon receipt of the Organisation Consent and User Account Form, an email will be sent to the registered email address of the NOC/NF containing a link to access the respective EW account. **NOCs/NFs that have completed the form for the 1st World Qualifying Tournament in Busto Arsizio will not have to re-submit the document and will automatically have access to the EW registration platform.**

All entries for Olympic Boxing Qualifying Tournaments require NOCs to confirm the technical and medical standard of the athletes. This means that if an NF has not recommended athletes for participation in the Olympic Boxing Qualifying Tournaments and/or the Olympic Games themselves, the NOC has the authority to enter its athletes without the recommendation of the NF. **IMPORTANT: Your team registration will be cancelled if you do not respect the registration and accommodation payment deadlines.**
