## **IOC Boxing Task Force Update on Asian / Oceanian Tokyo 2020 boxing qualifying event**

Lausanne, 22 January 2020

The IOC Boxing Task Force (BTF) noted today's decision of the Local Organizing Committee (LOC) to cancel the Asian / Oceanian Tokyo 2020 boxing qualifying event which was due to take place in Wuhan (CHN) from 3-14 February 2020, amid growing concerns in relation to the coronavirus outbreak reported in the city.

The Task Force continues to work closely with the Chinese Olympic Committee (COC) and all partners to explore alternatives and will immediately inform National Olympic Committees, National Federations and officials on any development.
